

2017 Bus Information

Saturday, February 18, 2017, GRB

Thank you for safely transporting our future leaders to the 31st Career & Education Day. The following information will provide you with useful data for a smooth and safe student drop-off and pick up.

Drop Off

Please drive into the Transit Center at the **Avenida South Garage, 1710 Polk Street**. (It connects the Hilton Americas-Houston hotel and convention center). Friendly volunteers will ensure that all of the students take the escalator into the GRB, 3rd Floor, Hall E.

Staging Area

Please drive your bus to the **Marshalling Yard, 1901 Ruiz Street, 77002** to park. A volunteer will greet you at the entrance and ask you for –

- Your name and cell number,
- The school and district you're transporting, and
- The name and cell number of the student's chaperone.

Note: you are welcome to partake in everything CED has to offer. Come on in!

Pick Up

The chaperone will check into the **Exhibit Hall Registration Booth, 3rd Floor, Hall A** (on the opposite side of the GRB from where you dropped off the students) when she/he has gathered all of the students from her/his school.

A volunteer from the Exhibit Hall Registration booth will call you on your cell to notify you to approach the Transit Center at the **Avenida South Garage, 1710 Polk Street** (where you dropped off).
