Greetings,

As Mayor of Houston, I congratulate the **Houston Hispanic Forum (HHF)** on the occasion of its **31st Annual Career and Education Day**. The event attracts thousands of students, parents and educators and is supported in partnership with many school districts in the greater Houston region.

The **HHF's** mission is to empower and inspire the success of the large and fast growing Hispanic community in Greater Houston, thereby, strengthening the entire community. Since 1986, the **Houston Hispanic Forum's Career and Education Day** has served as a great opportunity for students and their parents to meet with college representatives and learn about careers, financial aid and the college admission process.

I commend those who have worked with the **Houston Hispanic Forum** to emphasize the importance of higher education for all students in the Houston area and for making the **31st Annual Career and Education Day** possible.

Best wishes for a successful event.

Sincerely,

A handwritten signature in black ink that reads "Sylvester Turner".
